Residential Peak Season Surcharge - Effective November 1, 2024

Effective November 1, 2024 to January 13, 2025, a residential peak surcharge of \$2.00 per shipment may apply to customers that ship more than 2,000 residential shipments per business day or 10,000 residential shipments per week, in any week during the months of November and December 2024. This charge will only apply to volume that surpasses 200% of the customer's weekly average as measured between June 2, to June 30, 2024 and where expressed written consent for the increase was not provided by *Canpar Express*. Once applied, the Residential Peak Surcharge will apply to residential shipments as determined by *Canpar Express* in its sole discretion for the duration of Peak Season.
